

AltroWhiterock Chameleon

Altro Whiterock Chameleon takes hygienic wall cladding to a new level.

The high gloss finish coupled with the vibrant range of colours provides the designer with the option to make a statement through the use of colour with performance.

Combine Finishes

Chameleon works equally well when used in conjunction with Altro Standard White, as it mirrors trim and detailing of the standard product.

This enables a high design, even where costs need to be controlled.

Chameleon can also be used in strips to form vision strips or as highlights across a room. For further ideas or information contact; stephen@bifservices.com for further assistance.

A range of matching, solid colour trims and sealants are available.

Ideal for;

- Commercial Kitchens
- Serveries
- Changing Rooms
- Showers
- Toilets & Washrooms
- Laundries

Images of finishes are displayed as guidance only. If in doubt please request an individual sample of the finish you are interested in.
